Regional Superintendent's Message

This annual report is being submitted in part to fulfill the legal provisions as outlined in the Illinois School Code detailing the activities of the McHenry County Regional Office of Education from January 1, 2007 through December 31, 2007 and to present as a general overview, not inclusive of the many responsibilities, activities, and services that we provide for the benefits of our schools, our students, and citizens of McHenry County. To get a more comprehensive picture and to learn more about the Regional Office of Education, I invite you to visit our web site at www.mchenry.k12.il.us.

In preparing the annual report and making it as comprehensive as possible we have accumulated the year end reports from our programs and departments as well as the information from our annual audit conducted by the Illinois Auditor General.

I wish to publicly express my sincere appreciation to the members of the McHenry County Board, the Regional School Board of Trustees, my office staff, the educators and citizens of McHenry County for their continued and meaningful support of the Regional Office of Education.

The students of McHenry County are truly fortunate to have so many dedicated individuals working on their behalf to ensure that they receive the quality of education they will need to be successful and to lead a full and productive life.

I am extremely proud of this office and our accomplishments as we strive to meet our daily challenges. I invite you to visit our office whenever you have the time in your busy and chaotic schedules.

Respectfully submitted,

Eugene T. Goeglein
Regional Superintendent

Truancy Summary

The Regional Office of Education continued to work with each local school district to pursue the county attendance initiative. During the past year, the Regional Office worked with over 100 youth and their families to improve school attendance.

Facilities Program

The Regional Office of Education oversaw and supervised all major school construction and renovation projects in the County. Services delivered included, plan review in conjunction with Planning and Development, permitting, construction inspections and acting as a liaison between local districts and government authorities. One Elementary School and one Middle School came on-line this past year with one High School currently under construction.

Professional Development

The Regional Office of Education continues to play a key role in the professional development of McHenry County educators. Through the Kishwaukee Intermediate Delivery System (K.I.D.S.), the McHenry County Regional Office, in cooperation with the Dekalb and Boone/Winnebago Regional Offices provides staff development opportunities for all of the certified educators of McHenry County. This past year, more than **1,000** educators from McHenry County received professional development from K.I.D.S.
